Met according to adjournment, at eleven o'clock A.M., with Mr. Petrolati of Ludlow in the Chair (having been appointed by the Speaker, under authority conferred by Rule 5, to perform the duties of the Chair).

Prayer was offered by the Reverend Robert F. Quinn, C.S.P., Chaplain of the House, as follows:

Prayer.

God, Our Creator, we thank You for the material and spiritual blessings which You offer to us and bestow upon us daily. Our daily routine is usually so busy with things to do and places to go that we often forget to respond to Your goodness and generosity. We are grateful, too, for both our human intellect which empowers us to discover new intellectual and technological realities and our human will which enables us to make wise, prudent and moral choices. As elected leaders upon whom the electorate depends for sound judgments, inspire us to be guided by traditional principles, human and spiritual values and goals which promote the common good, the rights of all and stable communities and families.

Grant Your blessings to the Speaker, the members and employees of this House and their families. Amen.

SECTION 62C. Notwithstanding any general or special law to the contrary, amounts distributed to a city or town in accordance with section 62B of this act shall be deposited in the general fund of the municipality receiving them and may be used, without restriction, for any municipal purpose; provided, that a city or town receiving a distribution of funds under said section shall reduce the amount of property taxes it assesses to all properties classified as 'class one, residential,' under chapter 59 of the general laws, during the fiscal year ending June 30, 2008; provided further, that such reduction shall be pro-rated based on the assessed valuation of each parcel of such property, and that the total reduction in property taxes shall be not less than the amount distributed to the municipality herein.

SECTION 62D. Notwithstanding any general or special law to the contrary, upon the distribution of funds set forth in Section 62B of this act, the commissioner of revenue shall decrease the limits

calculated under section 21D of chapter 59 of the general laws to reflect the reduction in residential assessments required by Section 3 of this act for each city or town receiving funds herein; provided that such reduction shall be effective for the fiscal year ending on June 30, 2008 only, and that amounts so reduced shall be restored to their previous levels upon the completion of said fiscal year. The commissioner shall provide detailed written notice of such adjustment to the proper governing body or local appropriating authority as soon as practicable.

SECTION 62E. Nothing in this act shall be construed as preventing a city or town from seeking voter approval to assess additional taxes under section 21C of chapter 59 of the general laws, subject to the reduction of limits under sections 62C and 62D of this act."

Mr. Wagner of Chicopee thereupon raised a point of order that the amendment offered by the gentleman from North Reading, et als, was improperly before the House for the reason that it was substantially the same as the amendment previously rejected by the House.

The Chair (Mr. Petrolati of Ludlow) stated that the point of order was well taken; and the amendment was laid aside accordingly.

Mr. Peterson of Grafton thereupon appealed from the decision of the Chair; and the appeal was seconded by Mr. Jones.

The question was then put "Shall the decision of the Chair stand as the judgment of the House?"

After remarks on the appeal from the decision of the Chair, the sense of the House was taken by yeas and nays, at the request of Mr. Peterson; and on the roll call 129 members voted in the affirmative and 18 in the negative.

#### [See Ye and Nay No. 182 in Supplement.]

Therefore the decision of the Chair was sustained.

Mr. Jones of North Reading and other members of the House then moved to amend the bill in section 2A by striking out item 0411-1003.

After debate on the question on adoption of the amendment, the sense of the House was taken by yeas and nays, at the request of Mr. Jones; and on the roll call 19 members voted in the affirmative and 128 in the negative.

#### [See Ye and Nay No. 183 in Supplement.]

Therefore the amendment was rejected.

Mr. Jones of North Reading and other members of the House then moved to amend the bill in section 2A by striking out items 1100-1200 and 1599-0053; and the amendments were rejected.

Mr. Casey of Winchester then moved to amend the bill by inserting after section 62 the following section:—

"SECTION 62A. Notwithstanding any general or specific law to the contrary, the General Court hereby directs the Governor and Secretary of Health and Human Services to seek Federal reimbursements, including but not limited to intergovernmental transfers and certified public expenditures; and provided further that all money received from the Federal government will be directed into the Central Community Provider Trust Fund for further distribution to community hospitals."

After debate on the question on adoption of the amendment, the sense of the House was taken by yeas and nays, at the request of Mr. Casey; and on the roll call 20 members voted in the affirmative and 125 in the negative.

**[See Yea and Nay No. 184 in Supplement.]**

Therefore the amendment was rejected.

The bill then was ordered to a third reading.

Subsequently (the Speaker being in the Chair), under suspension of the rules, on motion of Mr. DeLeo of Winthrop, the bill (having been reported by the committee on Bills in the Third Reading to be correctly drawn) was read a third time.

Pending the question on passing the bill to be engrossed, Mr. Jones of North Reading and other members of the House moved to amend it by inserting after section 62 the following five sections section:

SECTION 62C. Notwithstanding any general or special law to the contrary, amounts distributed to a city or town in accordance with section 62B of this act shall be deposited in the general fund of the municipality receiving them and may be used, without restriction, for any municipal purpose; provided, that a city or town receiving a distribution of funds under said section shall reduce the amount of property taxes it assesses to all properties classified as 'class one, residential,' under chapter 59 of the general laws, during the fiscal year ending June 30, 2008; provided further, that such reduction shall be pro-rated based on the assessed valuation of each parcel of such property, and that the total reduction in property taxes shall be not less than the amount distributed to the municipality herein.

SECTION 62D. Notwithstanding any general or special law to the contrary, upon the distribution of funds set forth in Section 62B of this act, the commissioner of revenue shall decrease the limits calculated under section 21D of chapter 59 of the general laws to reflect the reduction in residential assessments required by Section 3 of this act for each city or town receiving funds herein; provided that such reduction shall be effective for the fiscal year ending on June 30, 2008 only, and that amounts so reduced shall be restored to their previous levels upon the completion of said fiscal year. The commissioner shall provide detailed written notice of such adjustment to the proper governing body or local appropriating authority as soon as practicable.

SECTION 62E. Nothing in this act shall be construed as preventing a city or town from seeking voter approval to assess additional taxes under section 21C of chapter 59 of the general laws, subject to the reduction of limits under sections 62C and 62D of this act."

Point of  
order.

Mr. Marzilli of Arlington thereupon raised a point of order that the amendment offered by the gentleman from North Reading, et als, was improperly before the House because it exceeded the provisions contained within the bill.
